## Meadow Lane Bridge

Following suggestions raised at the public meeting in June, Network Rail has looked into the possibility of cladding the bridge in the same manner as a similar bridge in Brinkworth, Wiltshire. Network Rail has advised that, in comparison, Meadow Lane bridge's span is bowed while Brinkworth's has a straight profile and retrofitting cladding on a rounded span is much more difficult than if the sides were flat. It would also mean drilling holes into the safety barriers behind the bowed span which would invalidate the bridge's warranty and would compromise its safety.

The cladding could turn into shrapnel if vehicles hit the side of the bridge which could potentially cause harm to pedestrians or other road users and, for these reasons, Network Rail cannot pursue this option.

To allow the structure to better blend with its surroundings, Network Rail has offered options of either painting the bridge parapets or fitting mesh barriers on the approaches to the bridge.

Following the success of local action groups such as the Flood Action Group and Croston Together in obtaining successful conclusions to local issues, Parish Councillor Kath Almond is leading an action group to try to reach some sort of acceptable conclusion in the case of the bridge and residents are invited to join the group.

# Chairman's Message

Sadly during the summer weeks there have been many reports of vandalism and anti-social behaviour by a small group of young people. The police have responded and dealt with individuals when reported to them. If you see or are made aware of any such incidents it is important that you call 101 and report it as the police can only deal with incidents they are made aware of. We should also remember that this very small group is NOT representative of our younger residents.

On a more positive note, the newly refurbished Recreation Park has been a huge success. Neville Norcross and his team must be congratulated on their achievement. The park is now a place for fun and relaxation for all. At the end of July the natural play area was dedicated to the memory of Mary Driver who, as a member of the team was instrumental in ensuring that this area was part of the new park.

Tim Blythe and his volunteers working on the Croft Field must also be thanked for their work to refurbish the nature Reserve and the arboretum. New footpaths, a ring of standing stones and an amazing Gruffalo carved from stone are just some of the works and improvements which have been undertaken. As a village we are so lucky to have such open spaces.

After a break the Parish Council meets on September 11<sup>th</sup> at 7.30pm in the hall at Croston Old School.

## Friends of Ecclestone Library

The recently formed Friends of Ecclestone Library has had an excellent start with the first event, a book sale and coffee morning raising £167.20.

Forthcoming events include a Coffee Morning on Friday 27<sup>th</sup> September (10:0 - 12:30) in aid of the Macmillan Cancer Support. On Saturday 5<sup>th</sup> October (10:00 - 2:00) a Fun Palace will be held with interesting and hands-on activities for youngsters.

In November it is planned to have a wildlife event and a special event in December for the festive season. All activities will be at the Library.

To obtain further information about the Friends and their events please ask at the Library.

Or contact the Secretary at [friends.ecclestone.library@gmail.com](mailto:friends.ecclestone.library@gmail.com)

## Remembrance Sunday

Subject to approval for road closures, this year's Parade should take place on Sunday 10 November. Please look out for information on the Parish Council's notice boards and social media nearer the time.

The Parade will leave Croston Old School at 1:00pm and walk along Town Road to the War Memorial for a short service. There will then be Service of Remembrance at 1:30pm at St Michaels and All Angels Church. Following the Service everyone is invited back to The Old School for refreshments.

If you can spare time between 28 October and 11 November for door-to-door collecting, or you have a business and would be willing to have a poppy tray and collection box please contact Alan Platt, the Poppy Appeal Organiser for the Croston District, on 01257 234003 or via email at [crostonpc@btinternet.com](mailto:crostonpc@btinternet.com)

# CROSTON IN BLOOM

## Judging Day

This year's judging day for the RHS Northwest in Bloom competition was on Tuesday 16 July. Judges Bill Blackledge and Jim Leek toured the village visiting Croston Sports Club, Croston Station and Croston Recreation Park before taking a stroll from the Village green through to the Croft Field.

For Jim it was his first visit to Croston whilst Bill was last here 5 years ago. They were both very impressed by the work of all the different volunteer groups across the village and seemed genuinely astonished at the standard and the diversity of all the projects they visited.

Whilst we will not know the results until the beginning of November we have been assured by the judges that we have done very well! Fingers are crossed!

## Sponsors

We would like to thank the following local businesses who have sponsored our projects:

- G McGavock Limited, Back Drinkhouse Lane, Croston
- John McDougal Electrical Services, Ltd, Drinkhouse Road
- Hair 21, Town Road, Croston
- Feather & Twig, Town Road, Croston
- Nicholson Solicitors, Town Road, Croston
- Quantills Ltd, Lathom, Ormskirk

## Doorstep Challenge 2019

We toured the village in the week before Coffee Day looking for the best doorsteps to judge in this year's competition. There were many beautiful displays and choosing a winner for the Residential Category was very difficult but after much debate we awarded 1st prize to Mr Reader on Moor Road.

We also awarded Gold Medal certificates to all houses who had reached the final round.

Croston Parish Council accepts no responsibility for items provided by third party contributors.

In the Commercial Category the winner was 'Favourites' on Town Road where owner Fiona was commended for her efforts despite have no access to water in her shop!

Gold Certificates were also awarded to Croston Sports Club, The Grapes, The Wheatsheaf and Marie B Evans.

We would also like to thank Croston Together who worked with shops and businesses to encourage the use of planters by providing perennial plants for year long interest.

Another highlight of this year has been 'Mr McGregor's Garden' lovingly re-created by the ladies 'Croston Knit-Wits' on the Village Green

Thank you Ladies!

of

Although judging is over for this year our work still continues.

We will be filling the planter reservoirs every Monday at 7.00pm so that the flowers continue to flourish until autumn .

We are continuing our project on the Out Lane car park and will be planting fruit trees in the autumn to create a community orchard as well as continuing to improve the shrubbery and improve the general appearance of the site.

We will be working with the Parish Council to improve the 'Croston Together' garden on the village and create a more permanent garden .

We would like to thank everyone who has supported our work this summer - offering tea/coffee to our volunteers, donating plants, putting up hanging baskets etc, giving words of encouragement, saying 'thank you' - it all helps !

# Croston Recreation Park

On Sunday 1<sup>st</sup> July 2018, the 'pop up garden' featured in Croston Open Gardens. This enabled Croston Together to share their ambitious plans for the future development of the Recreation Ground. At this stage they had applied for funding from several sources but hadn't yet been successful in securing any funds.

Fast forward 12 months to Croston Open Gardens 2019 and on Sunday 23<sup>rd</sup> June, the Potting Shed's work was complete. After just 6 months on the Rec, the site was transformed into Croston Recreation Park with picnic benches, mounds, a new natural play area, outdoor gym, a 5 a side football pitch, landscaping and a new drainage scheme. The transformation of this boggy site was something to shout about and Gez Clark, a local Town Crier, was on hand to ensure everybody knew about the grand re-opening.

During the opening ceremony Mr and Mrs Ellison, and two young children from Trinity and St. Michael's cut the ribbon symbolising the re-opening and signifying how the Rec is now a space for all ages to use.

The Rec is now a fantastic community asset, enjoyed by families, individuals and community groups alike from within the village and surrounding areas.

Croston Together's work does not stop here and if you would like to get involved with future developments on the Park, please contact us on our facebook page 'Croston Together' or email [wearecrostontgether@gmail.com](mailto:wearecrostontgether@gmail.com)

Our aim is to maintain the Park to a high standard and make sure that it becomes a central focus for many village activities.

This transformation was made possible and funded by Croston Parish Council, Lancashire Environmental Fund, Postcode Lottery, Awards for All, Co-op, Croston Together and donations from numerous

members of the village.

# Have your say on your roads

You can have your say on your roads and transport locally by completing a short survey. As part of a new campaign to promote the work of their highways

service, Lancashire County Council is encouraging people to complete the National Highways and Transport (NHT) survey, which measures public satisfaction with services across different local authorities.

The campaign will also focus on their work fixing around 40,000 potholes a year, and ask people to report potholes on their website. This year, the council will spend £24m to maintain Lancashire's 4,600 miles of highways and 5,300 miles of footways. Continued investment has improved the condition of the county's roads, and helped to reduce the number of potholes by 38% in the last two years.

Find out more about how Lancashire's roads are improving and complete the survey at [lancashire.gov.uk/roads](http://lancashire.gov.uk/roads)

The hall was bought by the villagers after World War I as a meeting/social place for veterans and the village, later run by the Royal British Legion members, then taken over by the Over 60's and about 10yrs ago a group of volunteers took it over.

Over the years it's seen weddings, social events, jumble sales (who remembers them?), over 60's, pre-school & much more.

Today it is a meeting place for the Over 60's, Scouts (Beavers, Cubs, Scouts & Explorers) Tots, Dance classes, Jujitsu, Table-Tennis, Pop Up - Café, Family Bingo, Annual Produce and Craft show, Christmas Fair, Lego sessions, and private Birthday parties.

We are always looking to expand on the range of events that we can put on.

The centre has a fantastic hall with a stage, a modern kitchen well stocked with crockery, glassware and cutlery, with extra seating area (which is available for hire separately - ideal for meetings etc)

A recent addition has been WiFi.

Our future aims are to install a separate disabled toilet facility, a new store room along with doors out onto the great garden area, which at present, has limited access so isn't used to full potential!

The centre is run solely by volunteers at present 5 of us! This is where you could come in??? We are looking for 'fresh and innovative ideas' along with new volunteers to help run your Community Centre.

Disabled access is available, via the Courtyard.

Croston has had some recent criminal damage that the Police are taking very seriously and are investigating. Three of the Church windows were broken, the newly carved Gruffalo feature on the Croft and sports equipment at the Sports Club were damaged. Names for all the offenders have been passed on to the Police. Please be vigilant and report anything suspicious to 101.

It's time for another reminder to make sure you lock and secure your doors and cars overnight. In recent months we had a huge increase in burglaries and thefts from homes and cars. Your insurance is invalidated if you leave items insecure or doors unlocked, plus you are making it easy for criminals to target you.
